

INDUSTRIAL INDOOR-OUTDOOR HORN/WARNING LIGHT

- Unique Sight and Sound Signaling Device
- Ideal for Industrial and Manufacturing Facilities
- UL Listed

INDUSTRIAL INDOOR-OUTDOOR HORN/WARNING LIGHT

The W.L. Jenkins Company has united a UL listed horn and a UL listed revolving warning light to provide a unique method of sight and sound signal in one compact easy to assemble unit.

This combination operates at 120 volt AC and is available in either red, amber, blue, green, or clear warning light.

FEATURES

LIGHT

- 25 Watt bulb
- 90 flashes per minute
- 200 Hour lamp life
- Convenient relamping access
- CSA listed
- Lexan® dome, red, amber, blue, green and clear
- UL listed for indoor or outdoor

HORN

- Die cast metal housing
- Low current drain
- 120 Volt AC
- High sound output 95 dB @ 10ft.

APPLICATIONS

The W.L. Jenkins Horn/Warning light is utilized for:

- **Material Handling** conveyor systems, processing control, machinery and equipment notification
- **Manufacturing Facilities** wherever noise and high level activities require immediate attention
- **Indoor/Outdoor** Horn/Warning Light is utilized in caution areas, hazardous surroundings and as a general alarm for evacuation
