

PIPE MOUNT-MODEL CL

PIPE MOUNT-MODEL CL

Model CL is a medium size pipe mount light ($4\frac{3}{4}$ " high x $4\frac{1}{16}$ " wide) with a double contact bayonet socket for a 25 watt T8DC clear lamp and optional 24VAC/VDC or 12VDC lamps.

FEATURES

- Shatter-resistant UV stabilized polycarbonate lens for strength and durability
- Cast aluminum base with $\frac{1}{2}$ " threaded hole in bottom for conduit
- Mounting gasket for dust and moisture resistance
- Socket supplied with wire leads
- Lens available in amber, blue, clear, green or red
- Optional electronic flasher.

APPLICATIONS

The model CL with its larger 25 watt bulb provides a bright status light for:

- **Material Handling** bright, visual signal to indicate low material, fluid level or equipment failure status
- **Manufacturing** wherever high noise levels and high activity areas require immediate attention
- **Industrial Process Supervision** pressure and temperature supervision, power interruption, process heating failure and fluid level control
