

SIDE MOUNT-MODEL ALAM

SIDE MOUNT-MODEL ALAM

Model ALAM is a medium size 5³/₄" high x 4¹/₄" wide vertical side panel mount status or warning light with a medium screw socket for 120VAC 30 or 40 watt lamps. Lamps are also available for 24VAC/VDC or 12VDC.

FEATURES

- Shatter-resistant UV stabilized polycarbonate lens for strength and durability
- Cast aluminum base with a boss for mounting to a panel. Two mounting holes on 1¹/₂" center line for two #8-32 screws
- Lens can be mounted either up or down
- Gasket for dust and moisture resistance
- Available in amber, blue, clear, green, or red lens
- Sockets supplied with wire leads
- Optional electronic or thermal flasher

APPLICATIONS

The model ALAM can be used as follows:

- **Industrial Process Supervision** pressure and temperature supervision, power interruption, process heating failure and fluid level control
- **Manufacturing** wherever high noise levels and high activity areas require immediate attention
- **Material Handling** conveyor systems, process control, machinery and equipment operation notification
