

SURFACE MOUNT-MODEL TL

SURFACE MOUNT-MODEL TL

Model TL is a medium size surface mount light (4⁵/₁₆" high x 4" wide) with a medium screw socket for 120VAC in 30 and 40 watt type A15 bulbs. Lamps also available for 24VAC/VDC or 12VDC.

FEATURES

- Shatter-resistant UV stabilized polycarbonate lens for strength and durability
- Aluminum base with three thru-holes for #8 screws on a 2¹/₂" diameter for secure mounting
- Mounting gasket for dust and moisture resistance
- Sockets supplied with quick disconnect terminals or wire leads
- Optional electronic flasher or thermal flasher
- Available in amber, blue, clear, green or red lens

APPLICATIONS

A medium size light for surface mounting for various situations:

- **Industrial Supervision** pressure and temperature supervision, power interruption, process heating failure and fluid level control
- **Material Handling** visual communications for conveyor systems, process control, machinery and equipment operation notification
- **Manufacturing** print houses, foundries, steel mills, dairy plants and warehouses
